The image displays two identical orange octagonal signs with a dark blue border and a white inner outline. Each sign features a stylized letter 'G' composed of three thick, blue-outlined segments forming a downward-pointing chevron shape.

The figure consists of a large, irregular blue shape representing a domain. This domain is bounded by a black curve. The curve starts at the top left, dips down to the middle left, then turns right and curves downwards again towards the bottom right. In the bottom right corner of the main blue shape, there is a smaller, separate blue triangle.
